

How to watch the Christ Church Live Stream.:

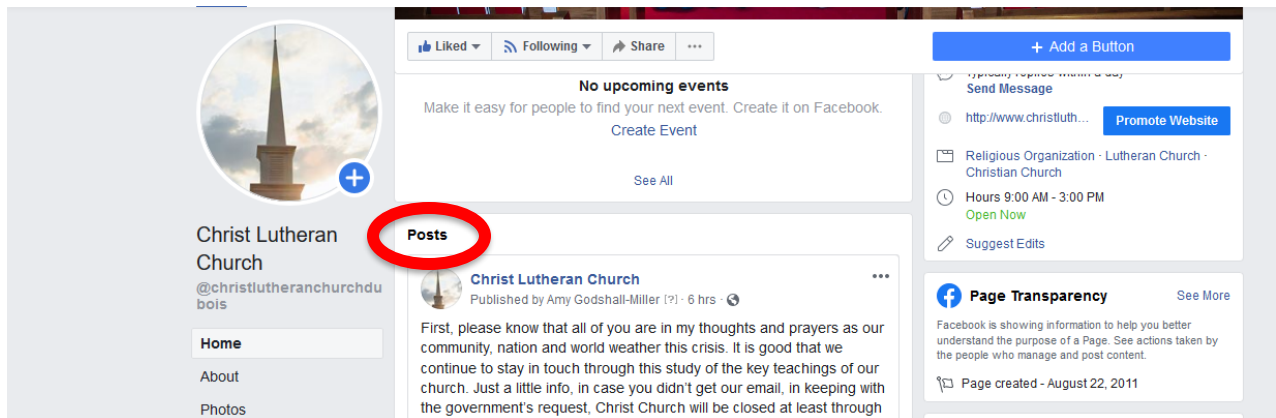

These instructions were developed for viewing on a computer. Similar steps should be sufficient for viewing on a mobile device.

You do not need a Facebook account to join us, as our page is public. Simply type or copy: www.facebook.com/christlutheranchurchdubois into the browser, or click the link if you are reading this on-line.

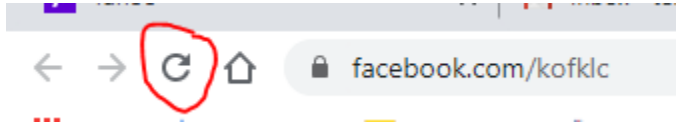

That you should bring you to a page that looks similar to this:

You will need to scroll down until you find the section labeled "Posts".

It will not show up until we go live at 9:45 am. We aim to start promptly at 9:45 am, but if you don't see anything after a few minutes, please hit the re-load button in the upper left hand of your browser screen. It should look similar to this:

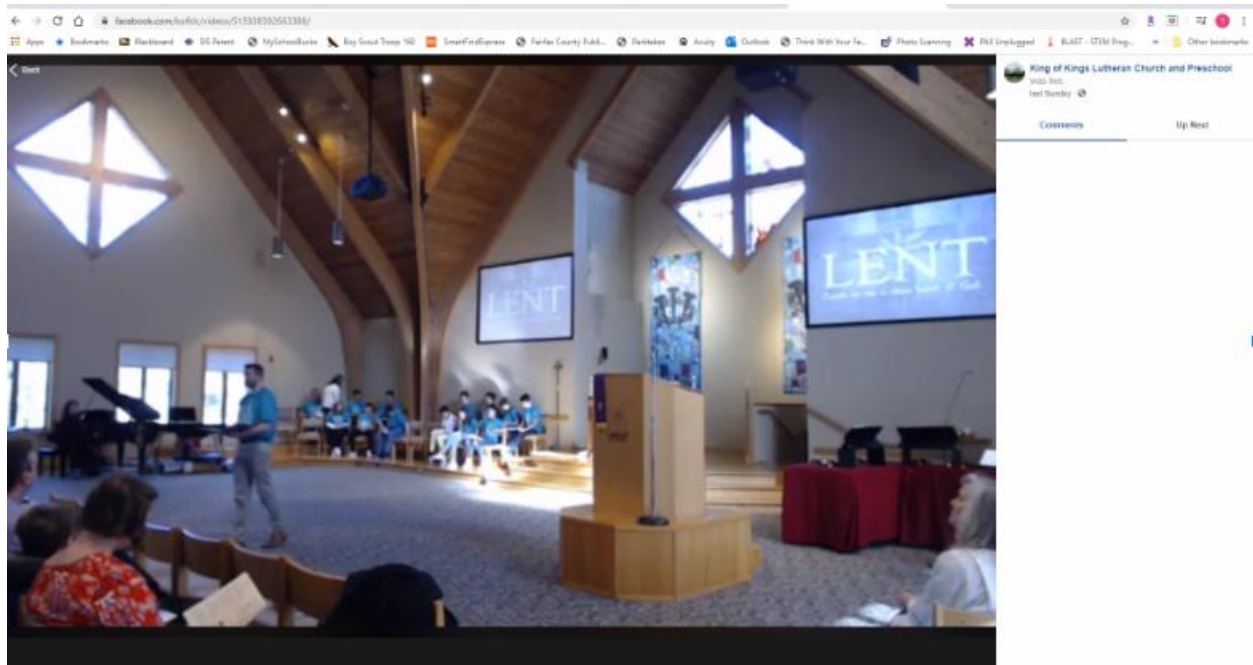

Once the video appears, if you hover your cursor in the window, you will see a volume control. You may need to adjust the volume on your computer as well.

To make the picture/video larger, simply click inside the video and it will become full-screen.

Full Screen:

The video will be available on the Facebook page, even after the livestream is finished. The same steps can be used to access it, though you may need to scroll down further in the “Posts” section to find it.
